

XT88

Dashcam

The Camera That Puts You in Control

XT88's AI software detects incidents and risky vehicle operations such as vehicle break-ins, crash detection, hard stops, tailgating and irregular driving behavior. This intelligent camera has many features with over-the-air updates, providing additional enhancements without hardware replacement. Protect drivers, assets, reputations and livelihoods with video evidence.

Xirgo enables complete device OTA and FOTA capabilities through the easy-to-use XT88 platform, and flexible deployment makes for streamlined maintenance and support. Transform vehicle safety and maximize the power of device flexibility.

FEATURES

- > 4G LTE data connection
- > Exterior-facing anti-theft beacon and guard mode protect parked vehicles
- > Live View — watch and hear in real time
- > GNSS tracking
- > OBD vehicle data and telematics
- > Touch screen display and voice-control
- > Two infrared LEDs (sides of touchscreen, driver-facing)

HIGHLIGHTS

Dual HD cameras for road and in-cabin monitoring even when the vehicle is off

Simple configuration management and robust APIs accelerate platform integration

Driver guidance and feedback

Easy, fast installation

CR40 TECHNICAL SPECIFICATIONS

MECHANICAL

Dimensions	3.4" x 2.4" x 1.1" (63.2mm x 88.0mm x 28.5mm)
Weight	3.8 oz (108 g)
Field of View	120 Degrees
Aperture	<i>f</i> /2.14
Harness Connector	Yes
Tactile Button	Yes

ELECTRICAL

DC Power	DC 12V
Power Source	Vehicle Power
Sleep Mode	Auto Shut-Off After 72 Hours
Sensor Resolution	4MP with 2µm Pixel Size
Exterior-Facing Camera	1440p HD Video @ 30 FPS
Interior-Facing Camera	Infrared 720p HD Video @ 30 FPS
Screen Size	2.4" (diagonal) LCD Touch-Screen Display
Resolution	240 x 320p @ 166 ppi
Contrast & Brightness	800:1 Contrast Ratio; 400cd/m2 Max Brightness

ENVIRONMENTAL

Operating Temperature	-4° F to +120° F (-20° C to +49° C)
Temperature Sensor	Internal

COMMUNICATIONS

Cellular Connection	4G LTE
Bluetooth	4.2 BLE

POSITIONING

GNSS	Yes
Gyroscope	Internal
Accelerometer	Internal

COMPLIANCE

Certifications	FCC, PTCRB, IC, CE (RED)
